Dr. Guysott's Improved Extract of Yellow Dock & Sarsaparilla THIS EXTRACT OF YELLOW DOCK AND SARSAPARILLA is a positive, speedy and permanent cure for all diseases incident to females.

Its mild alterative qualities render it peculiarly applicable to the slender and delicate constitution of the female. It is unrivalled in its effect upon such diseases as Incipient Consumption, Barrenness, Leucorrhea or Whites, Irregular Menstruation, Incontinence of Urin &

Prostration of the whole System. It immediately counteracts that distressing Nervousness and Lassitude so common to the female frame, and imparts an energy and buoyance as surprising as they are grateful. We have evidence on file which induces us strongly to recommend this medicine to married people whe have not been blessed with offspring.
